Transportation/Traffic Engineering/Operations

The recruitment will remain open until sufficient applications from qualified candidates are received. *The initial review will be conducted for all applications received by 5:00 p.m. on Friday, August 25, 2006.*

THE JOB

This position performs senior-level traffic engineering work and administrative activities for the Department of Public Works Transportation Program and serves as a key contact for citizens and elected officials regarding traffic engineering issues. Related duties may include conducting a wide range of traffic engineering studies and directing consultant teams in such studies; developing or reviewing plans for transportation improvements (traffic signals, traffic control features, pedestrian/bicycle pathways, roadway extensions and local circulation plans); preparing, developing and checking complex specialized contract provisions and design agreements; conducting pre-bid and pre-construction conferences detailing principle construction features and agreements; developing and maintaining effective relations with the public; representing the department on various committees, neighborhood organizations, and public hearings; and preparing complex technical engineering and administrative reports in support of engineering projects and decisions.

QUALIFICATIONS

The successful candidate will have a Bachelor's degree in traffic engineering, civil engineering or a closely related field and two (2) years of experience in an Engineer III or equivalent position.

- Possession of a professional engineering license required; state of Washington is preferred. Other licenses in states that are afforded reciprocity by the State of Washington will be considered; however, the candidate hired will be expected to obtain registration in the State of Washington within 6 months of employment.
- Ability to obtain a valid driver's license upon date of hire.

Any combination of education, experience, and training that demonstrates the possession of the required knowledge, skills, and abilities will be considered.

Knowledge of... principles and practices of traffic engineering, civil engineering and of the physical sciences (hydraulics, mechanics, etc.) involved; urban and rural public sector traffic engineering and traffic signal design; proven project management skills, including engineering, administration and management principles/practices; application and interpretation county regulatory codes, state regulatory and legislative requirements, court decisions and Attorney General's opinions concerning the wide variety of engineering functions; departmental policies and procedures, work standards and codes applicable to the job. **Ability to...** establish and maintain effective working relationships with engineering and survey staff, contractors, and the public; accomplish multiple priorities and projects within projected timeframes; adopt approved engineering methods and standards to the planning, design and construction of a variety of public works projects; read and interpret complex plans and specifications and become familiar with engineering standards; perform highly technical research work and to give reliable advice on difficult engineering problems; prepare, draft, interpret and utilize complex engineering plans, maps, specifications and reports; maintain orderly, accurate engineering records; perform complex and difficult engineering computations in designing major engineering projects; inspect and provide direction to technicians inspecting the work of contractors on complex engineering projects and to obtain adherence to plans and specifications; coordinate and effectively manage resources dedicated to a number of on-going projects; communicate and express ideas effectively, orally and in writing, including public speaking; give accurate and factual testimony at hearings or trials.

SALARY

The salary range is \$28.52 - \$36.39 per hour. It is the general policy of the County to start employees in the lower or middle sections of the salary range. Clark County provides a generous benefits package, which includes medical and dental insurance, paid holidays, vacation, sick leave and retirement. This position is represented and requires membership in Local 17, International Federation of Professional and Technical Engineers, AFL-CIO.

SELECTION PROCESS

1. **Application Review:** (Pass/Fail) – All applicants must complete a Clark County application and submit it to the Human Resources department by 5:00 p.m. on the closing date. Incomplete applications will not pass the application review. Candidates deemed most qualified will be invited to participate in the remainder of the selection process.
2. **Supplemental Application:** (Pass/Fail) – Those candidates deemed most qualified will be invited to respond to a supplemental application, to be provided at a later date.
3. **Oral Interview:** (Weighted 100%) – One or more interviews will be conducted that are job related and may include, but not be limited to, the qualifications outlined in the job announcement.

REQUEST AND/OR SUBMIT APPLICATION MATERIALS TO:

To apply, all application materials must be submitted by 5:00 p.m. on the filing date listed on the front of the recruitment announcement. **POSTMARKS ARE NOT ACCEPTED.** A Clark County application is required unless otherwise noted and supplemental materials (i.e., answers to supplemental questions, cover letter, etc.) may be required and must be submitted with the application. **Please read application materials thoroughly to determine application requirements.**
